

\*This guidance is applicable to advertisements of healthcare services offered by private hospitals, private clinics, private radiological laboratory or private medical laboratory ONLY. It is compulsory for the aforementioned premises to have license issued under the Private Healthcare Facilities and Services Act 1998 and operated by a registered medical practitioner having a valid Annual Practising Certificate (APC) under the Medical Act 1971.

\*Publication of advertisements of healthcare services relating to the treatment, prevention or diagnosis of any diseases or conditions of human body that are offered by other premises (i.e. other than private hospitals, private clinics, private radiological laboratory or private medical laboratory) are prohibited and applications made to obtain Medicine Advertisement Board's approval shall not be accepted.

\*The fee of RM300 is a processing fee and is non-refundable once your application is accepted by MAB.
